## Lost and Found

A black winter jacket was found in the Lounge after the Welcome Event. The brand is Universal Traveller and there is a shirt in one of the pockets. Please email us back if this is your jacket, it is waiting for you at the ISS office.

  - The Suspension Wire is the official newsletter for BRIDGE and is published every two weeks. We send it out via email and post it on our website ([www.iss.wisc.edu/bridge](http://www.iss.wisc.edu/bridge)). We do this to let you know about BRIDGE events, how past events have gone, and keep members updated on how each other is doing. If there is anything you ever want to publicize in the Suspension Wire, just let us know. So, don't forget to invite people to your activities by putting it in this newsletter.
