Student Immigration Documents Budget: 2010-2011

To apply for F-1 and J-1 documents, students are required by the US government to demonstrate sufficient financial support. ISS cannot produce I-20s and DS-2019s without proper documentation. When submitting applications for a new I-20, DS-2019, or family entry, attach financial support documentation equal to or exceeding the amount of expenses listed below. Complete your calculations below and submit this worksheet with your application materials.
